Welcome to Contessi Ballet

Marcella Contessi Smith founded the Contessi Ballet School over 40 years ago. As of August 2018, the North Bay Performing Arts Association, now owns and operates the business as a non-profit organization. We have highly talented, professionally trained and experienced teachers in the performing arts. We are proud of the excellent reputation Marcella Contessi Smith has built and we are dedicated to maintaining high quality classical training at our school. Instruction methods and techniques are based on the firm belief that every student has something to offer and learning should be fun and exciting! We are committed to small class sizes so that each student receives a generous amount of personal attention.
